Letter dated 12 May 2016 from Head of Schools and Admissions to Maria Davies of Babcock expressing disagreement with Babcock's 'recommendation' that the school should be closed. Places needed in area justification given.

Expressing budgetary concerns - 96% on funding staff. Further meeting planned to look at financial concerns and building issues in more depth.

Minutes of FAGB, 7 July 2015 record AGB discussions about future security of school - 'secure for a foreseeable future.' AGB and senior staff 'pressuring' the authorities with regard to the decision making process on the school's long term future. AGB seeking view from LA whether will be standalone, federated or part of group of schools. Records that a meeting held in April 2015 attended by reps of Surrey CC considered options but there were no outcomes.

Minutes of Officers' Meeting 16 June 2015 Exploring 'permanent solution for the future of [school]'. Positive picture of improvement at that time. Acknowledgement that school not sustainable based on 4% enrollments.

Decision to move from infant to primary was against LA decisions. MAT possibilities not considered viable due to condition of the fabric of the school. Long-term closure possible but short term 'not probable'.

Condition survey agreed. Interim arrangements continuing.

17 Sep 2015 - Cluff from 'strength to strength' - [redacted] 'Serious concerns'

[redacted] about future of the school. 'Car crash waiting to happen.' Possibility of reversion to infants discussed. Cof Gars planned departure March 2016.
